Air Base Parkway undergoes repairs

Fairfield, California (Tuesday, March 10, 2020)—Fairfield's Public Works Department will be repairing potholes on Air Base Parkway, Friday, March 13 and Monday, March 16. The crew's focus will be on the Parkway between Parker and Peabody Roads.

Lanes may be reduced to one while the work is being done, between 9 a.m. and 3 p.m. Please drive with care and watch for the Measure P Street Team that is working to improve our roads.

For more information about this project, please contact Streets Supervisor Dan Camara at (707) 428-7502.
